

With the AMALFI we combined two important aspects for any seat, comfort and looks.
A unique designed zero gravity mechanism delivers a comfortable seating position unknown in the industry.

features:

- designed in **Belgium**, made in **Europe**
- **Fine genuine leather collection**: 2 leather grades ranging 70 colors.
- **Extensive fabric collection**, from aqua clean to luxury velours.
- **Customer supplied** leather or fabric option available.
- **Motorised steel zero gravity recline mechanism**
- **Articulating headrest**
- **Hand-cut foam** cushioning: high-density foam promises years of comfort and performance.
- black **cupholders** or steel powdercoated **trays** in black or custom RAL colour.
- **contact closure option** to control chair mechanism using home automation systems

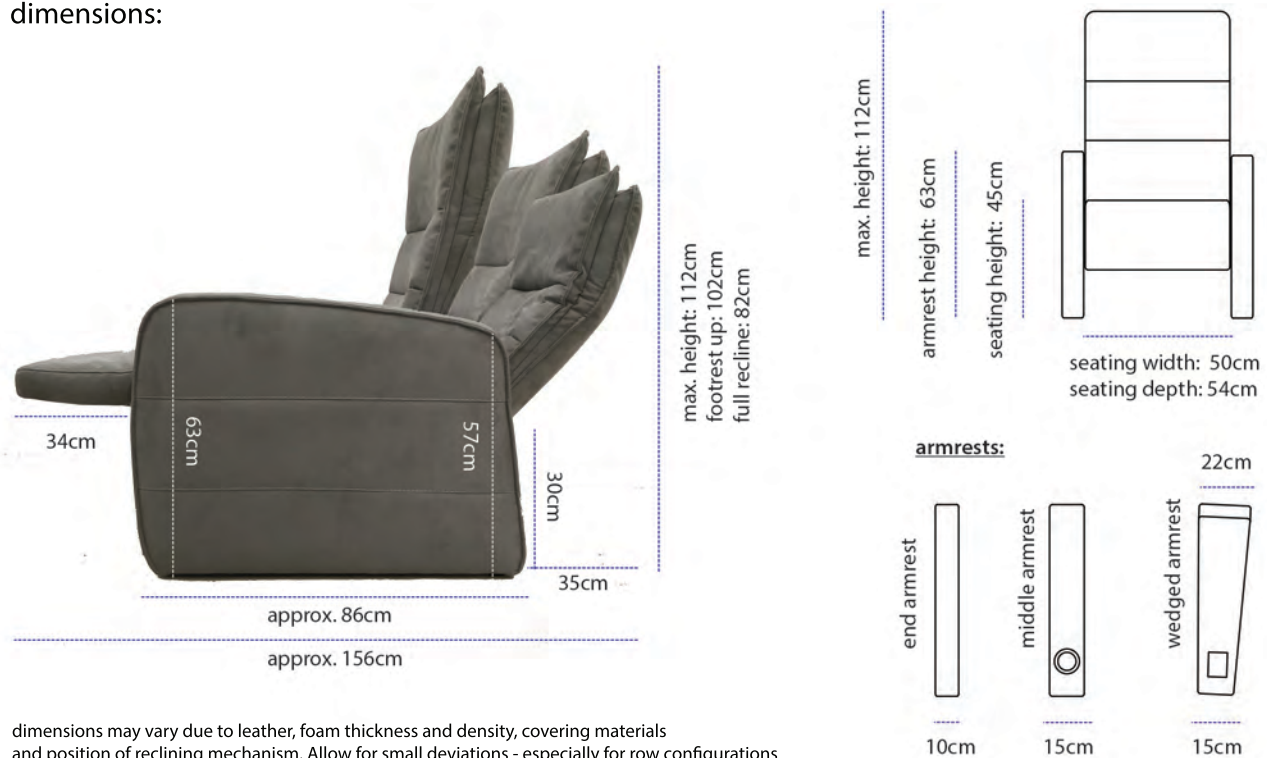

endless seating configurations:

create any seating configuration using our elements:
 armrest, wide armrest, wedged armrest, love seat, and single seat

options & customizations:

- tone to tone stitching or contrast stitching
- contact closure control of relax mechanism
- Motion tactile transducers
- battery pack for operation of relax mechanism
- wide armrest with steel powder coated tray in black or any RAL color
- steel powder coated removable tray (fits into standard cupholder)

dimensions:

dimensions may vary due to leather, foam thickness and density, covering materials and position of reclining mechanism. Allow for small deviations - especially for row configurations
