FULL-GRAIN LEATHER / COLLECTION OVERVIEW

A natural expression of luxury.

HORIZONTE is a substantial, full-grain leather selected for its distinctive natural texture, satin sheen and rich, enveloping touch. Crafted from carefully chosen bull hides, its generous 2 mm thickness brings depth and a reassuringly luxurious feel to bespoke home cinema seating and refined residential sofas.

TECHNICAL SPECIFICATIONS

Leather type	**Full-grain genuine leather**
Raw material	**Selected ox / bull hides**
Thickness	**Approx. 2.0 mm**
Grain & texture	**Natural, full grain**

Archive manufacturer test sheet (2023)

Dry rub fastness	**500 cycles | ≥4 grey scale**
Wet rub fastness	**80 cycles | ≥4 grey scale**
Alkaline rub fastness	**40 cycles | ≥4 grey scale**
Flexing endurance	**≥30,000 cycles**
Tear strength	**≥20 N**
Coating adhesion	**≥2 N/cm**
Light resistance	**5 | blue scale (xenon test)**
Cigarette / match test	**EN 1021-1 / -2: pass**

MAINTENANCE & CLEANING

Regular care
Gently remove dust with a soft, dry microfibre cloth. For surface marks, wipe with a lightly dampened cloth and dry promptly.

Deeper cleaning
Use a small amount of mild soap diluted in water on a well-wrung cloth. Dab gently, avoiding vigorous rubbing. Dry immediately. Test in a concealed area first.

Avoid
Alcohol, acetone, ammonia, bleach, oils, excessive moisture, abrasive objects and prolonged exposure to intense sunlight or direct heat.

Important: Technical values above are quoted from an earlier manufacturer data sheet and must be reconfirmed for current production and project-specific standards. Colour codes correspond to an earlier published manufacturer palette. Hide texture, grain and tone vary naturally; always approve a physical cutting.
