NAPPA LEDER

FULL-GRAIN LEATHER / COLLECTION OVERVIEW

Luxury in its softest form.

NAPPA LEDER is a smooth, full-grain leather defined by a soft, glove-like feel and understated satin appearance. Its natural character and elegant drape make it an appealing choice for contemporary home cinema seating and beautifully tailored living-room sofas.

TECHNICAL SPECIFICATIONS

PERFORMANCE & CARE

Beauty in the details.

REFERENCE PERFORMANCE DATA

Archival manufacturer specification (2023) - confirm latest tests before specifying.

Dry rub fastness	**500 cycles / ≥ 4 grey scale**
Wet rub fastness	**80 cycles / ≥ 4 grey scale**
Alkaline rub fastness	**40 cycles / ≥ 4 grey scale**
Flexing endurance	**≥ 30,000 cycles**
Tear strength	**≥ 20 N**
Coating adhesion	**≥ 2 N/cm**
Light fastness	**Blue scale 3**
Ignition resistance	**UNI EN 1021-1/2: Pass**

LEATHER MAINTENANCE

Everyday care

Dust with a soft, dry microfibre cloth. For minor marks, gently dab with a lightly damp cloth and dry immediately.

Deeper cleaning

Use a well-wrung cloth dampened with water. Dab with gentle circular motions without rubbing; dry immediately. Always test a hidden area first.

Avoid

Alcohol, acetone, ammonia, bleach, oils, excessive moisture, direct heat and sharp or abrasive objects. Apply water to the cloth, never directly to the leather.

Natural leather can show batch-to-batch variation. The product sheet is for reference; confirm current availability, safety certification and test results with the supplier before production.
