CORRECTED-GRAIN LEATHER / OVERVIEW

Refined. Resilient. Versatile.

SIERRA is a beautifully practical upholstery leather with a uniform, embossed grain and a protective pigmented surface. Its refined matte finish and broad spectrum of colours make it a versatile choice for bespoke cinema seating, lounge sofas and contemporary interiors.

CARE & MAINTENANCE

- Wipe dust away with a dry, soft microfibre cloth.
- For deeper cleaning use a lightly damp cloth and mild soap; dab gently.
- Always test on a hidden area first and dry immediately.
- Avoid solvents, bleach, excessive water, direct heat and abrasive items.

PERFORMANCE REFERENCE*

Dry rubs / 500	**Grade >= 4**
Wet rubs / 150	**Grade >= 4**
Flex endurance	**>= 30,000 cycles**
Light fastness	**Blue scale 5**
Fire resistance	**EN 1021-1/2: Pass**

*Performance values and 52 colour references are from a historical Futura Leathers collection catalogue; they are not a substitute for a current technical data sheet. Sierra product type, finish, thickness and care information are based on the current brochure supplied with this brief.
